- The distribution of a cash dividend of US\$0.40 per share, to be paid in four equal quarterly installments, as further explained below, remains unchanged with respect to last year's dividend. The proposed dividend equals a 5.8% yield on the Company's share price at closing on April 13, 2012 on the NYSE.

The record date for all shareholders to participate at the Annual General Meeting will be May 2, 2012. The complete agenda and all relevant detailed information concerning the STMicroelectronics N.V. *Since the Annual General Meeting will be held on May 30, 2012, the Company will be unable to both set the ex-dividend date for, and to pay, the first dividend installment in May according to the usual schedule, and has therefore resolved, in coordination with the stock exchange and with a view to ensuring the appropriate functioning of the market for its shares from a substantive standpoint, to pay such installment on June 7, 2012 with an ex-dividend date on June 4, 2012. Other than indicated in the table, the ex-dividend and payment dates for the subsequent installments are consistent with the usual schedule.

**February 18, 2013 is not a trading day on the New York Stock Exchange.
